

Cancellation Policy

In the event of the cancellation of your Samaritan's Purse Canada Mission Trip Project, the policy of Samaritan's Purse Canada is as follows:

All support and donations received are non-refundable once tax receipts have been issued. Under Canadian law, refunds cannot be given for any donations received by a charitable organization.

Airline tickets already purchased in your name by Samaritan's Purse Canada prior to the project cancellation are non-refundable. However, your ticket may be applied to a future project, depending on the life-span of the ticket and the flight destinations of the original airline. Most tickets are open for a 12-month period. A change fee may be charged by the airline. If the destination is changed, there may also be additional costs depending on the new routing. In these circumstances, you should check with the airline regarding their policies.

Mission trip project participants who cannot be re-scheduled on an alternative projects prior to the expiration of the airline ticket, held in their name by Samaritan's Purse Canada, are responsible for the cost of another airline ticket should they want to participate in another mission trip project.

In the event that airline tickets have not been purchased by Samaritan's Purse Canada in your name prior to the date of your mission trip project cancellation, an amount equal to the donations already received on your behalf will be kept on account with Samaritan's Purse Canada for use in a future Samaritan's Purse Mission Trip Project, if applicable. Applicant placement on an alternative Samaritan's Purse Canada Mission Trip Project will be dependent on trip availability. Accordingly, an alternative Samaritan's Purse Canada mission trip project cannot be guaranteed.

Mission trip project participants may waive the right to participate in any or all alternative projects with the understanding that all donations received and tickets purchased on their behalf are completely non-refundable. In circumstances like this, these funds will be used for project activity likely in the region of your original destination.

The Samaritan's Purse – Canada is audited annually by an independent accounting firm and our financial statements are available upon request. Our Board of Directors has established the policy that all contributions designated for a specified project shall be applied to that project, with up to 10 per cent to be used if needed for administering the gifts. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us so that Christ is lifted up and the Gospel is advanced.
